教員から学生へのメッセージ	At the end of the course, students will have completed about 14 units from the textbook. Students will also complete homework exercises after every class. The homework exercises will be from the textbook. Students will be able to practice and improve their reading, listening, writing, and speaking skills during every class. Please contact the teacher and the university administrative staff if you cannot attend a class because of a delay, sickness etc. Homework exercises are part of your final grade score so please make sure to complete your homework exercises every week. Students who do not complete their homework exercises or who submit their homework exercises late to the teacher will receive a lower score than other students. A late final assignment report will also be penalised. If you need to discuss something with the teacher then please contact Senan Fox at <a href="mailto:senanfox@yahoo.com">senanfox@yahoo.com</a>
